Bible App for Kids

Every evening my girls try to beat each other to the iPad for bedtime devotions. We love the family devotions based on the Bible App for Kids. The short videos reinforce the story, and we all love getting into the songs and memory verse motions. These little tools broken down into short little pieces over the course of the week instill great truths into their minds.

Jessica G.

What can I do with this

1. **This app is available in over 40 languages.**
2. **There are 41 great Bible stories so far to access.**

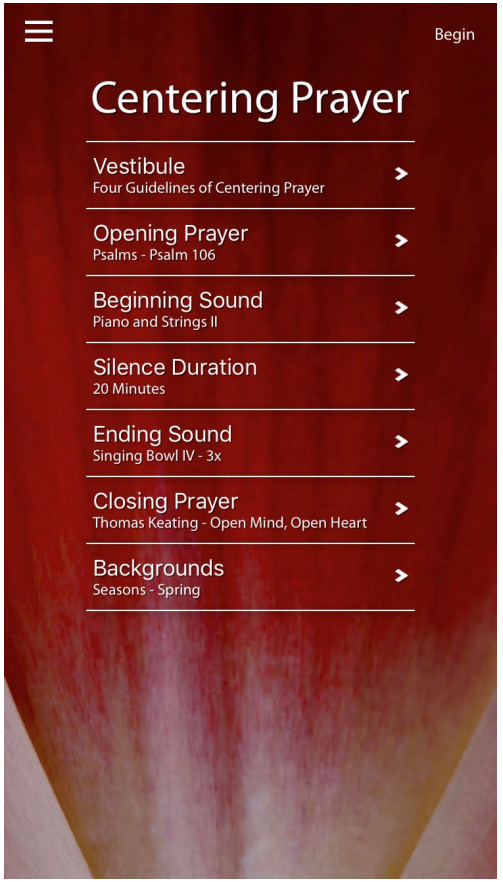
Centering Prayer

"Centering Prayer is a receptive method of silent prayer that prepares us to receive the gift of contemplative prayer, prayer in which we experience God's presence within us, closer than breathing, closer than thinking, closer than consciousness itself. This method of prayer is both a relationship with God and a discipline to foster that relationship."



What can I do with this app?

1. **Set the app so that you have a period of silent prayer with your choice of opening and closing passages, sounds and duration of silence.**
2. **Links to the Centering Prayer website with resources, videos, retreat groups and more.**
3. **A monthly bulletin is available via email.**

Bible Shaker

What can I do with this app?

1. Choose a category, shake the phone, read the randomly generated verse.
2. Need more? Shake again.
3. Like it? Save it to your favourites!
4. Use the verse to help focus your prayers, begin a service or sermon, provide a starter activity for the youth group. The 'randomness' could be poignant, creative or bring a smile to your face. Who knows?

Adults, please remember the App is designed for youngsters so they must get the first go. It's only fair.

iSingWorship

What can I do with this app?

1. Lead worship with incredible flexibility and musicality.
2. The flexible playback system allows you to line up any part of the song that you would
3. Utilises the incredible SATT™ (Smooth Audio Transition Technology) for highly smooth and musical changes between song sections. Even if you want to go from a very quiet section to a very loud section, iSingWorship will introduce the necessary elements to make it sound natural!
4. Automatically display song lyrics, wirelessly when using compatible devices.
5. Choose from a range of beautiful and inspiring background pictures or simple solid colours to display behind the lyrics.
6. Songs may also be played back in alternative keys meaning that as well as for mixed congregations, the vocal range will also be comfortable for men's groups, women's groups, kid's groups or even your own personal worship times.
7. Create presentations containing multiple slides for display during your service without having to leave iSingWorship.
8. Prepare a set list of songs and presentations in advance for your service. You can leave each song to play continuously one into the next or insert pauses between any or all of them.
9. You can simply want to use the app as a backing band, you can switch the acoustic guitar parts off and lead worship with live guitar. You can also turn the lead vocals down if you prefer to lead yourself.
10. Included is an option to display the song's chords on your device screen while your congregation still see only the song lyrics.

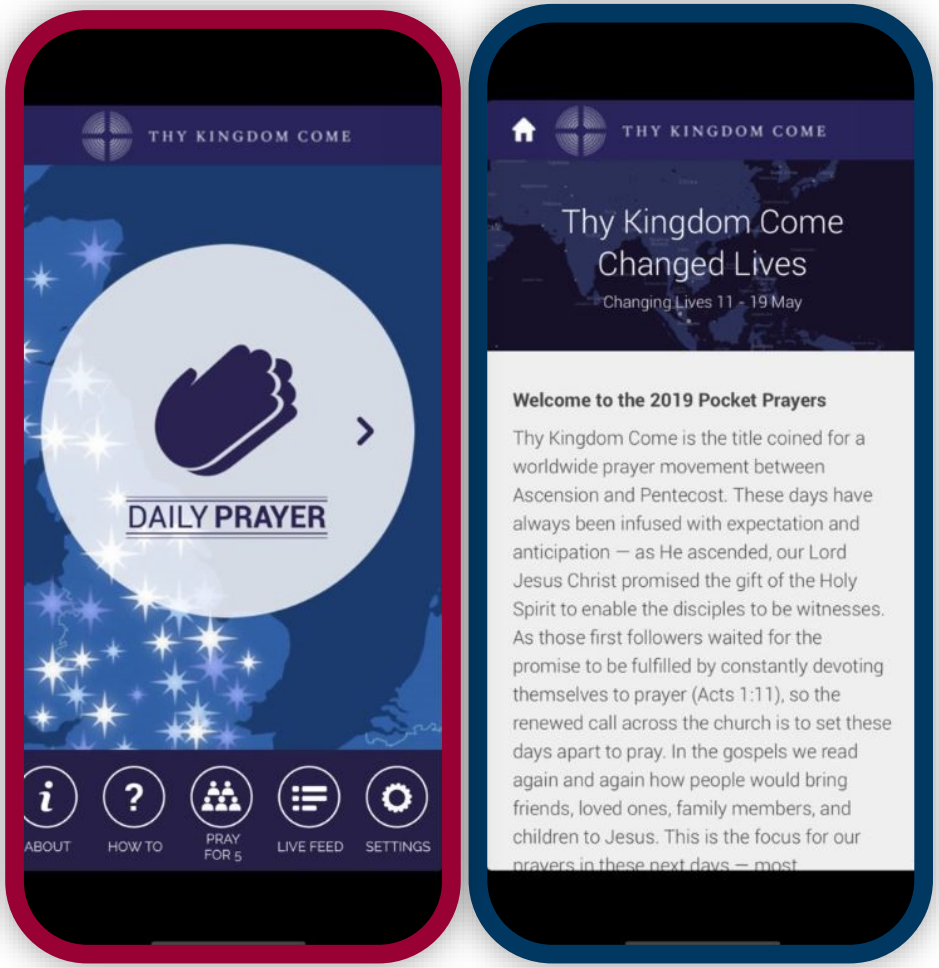
Let Thy Kingdom Come



What can I do with this app?

Thy Kingdom Come is a global prayer movement, which invites Christians around the world to pray between Ascension and Pentecost for more people to come to know Jesus Christ. What started out as an invitation from the Archbishops' of Canterbury and York in 2016 to the Church of England has grown into an international and ecumenical call to prayer. This app enables you to read Inspirational daily prayers, reflections, readings and watch videos that can equip you take part in the global wave of prayer between Ascension and Pentecost.
